

# MAZHAR IQBAL

## FRONT-END DEVELOPER

### PROFESSIONAL SUMMARY

I am an enthusiastic front-end developer with 1+ years of working experience in bringing creative UI design concepts and ideas into realistic applications using Front-end Technologies HTML/CSS, vanilla JS, React JS, React Native, and different frameworks/libraries.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me.
